Subject FW: Software/Hardware/Support Info Request

I realized that I may have forwarded a few notes in the last few days to Kathy only. I have her email programmed into my Blackberry and if I am mobile I tend to only forward to her. I will program Drew in also to avoid this in the future.

**Subject:** Software/Hardware/Support Info Request

Charlie,

Tipton County is close to completion on the compiling of the requested software vendor data. The information has been requested from our software vendors and most of the information has been received. I am waiting on Manatron to send their information. Manatron has advised me that the needed documents were in the mail as of today. I won't receive these documents until early next week, therefore I plan to e-mail the information next week to you. I would like to have all the data prior to sending the information to you. If you would like to have the information vendor by vendor or as the data comes in, let me know. Otherwise, I will send everything at once.

Sincerely,

**Suzanne C. Alexander**
